GAMA Reports

VOLUME MMXIX NO. 7, JULY 2019

Message from the Executive Director

I mentioned in June's newsletter that GAMA would be having an election for two Councilor positions once the candidate slate was approved by the GAMA Board of Trustees. The slate was approved at the July 11th meeting, and the candidates are:

Dr. Michael Bergeron

Dr. Lee Brown

Dr. James Tryon

An electronic ballot will be distributed to the membership in the next few weeks so the successful candidates can begin their four-year term at the New Medical Society's annual meeting September 13-14. Please keep an eye on your inbox for the ballot. This is a very important position for the governance of GAMA and the Society.

REGISTRATION

September 20-21, 2019
Hotel Albuquerque at Old Town
Albuquerque, New Mexico USA

**REGISTRATION IS NOW OPEN FOR THE 24TH
ANNUAL
"MAMMOGRAPHY IN Santa Fe" CONFERENCE
AUGUST 5-9**

X-Ray Associates' "Mammography in Santa Fe" course is the most comprehensive interactive breast imaging meeting in the world! It offers attendees the opportunity to interpret up to 300 screening mammography cases, 200 Tomosynthesis cases, & 200 breast MRI cases at their own workstation, fulfilling all the initial training requirements for MQSA, FDA, and ACR accreditation, all in one place! Special Automated Whole Breast Ultrasound and Ultrasound core biopsy workshops are also offered, as well as 25 hours of didactic lectures by a world-class faculty headlined by our Keynote Speaker, Dr. Tom Stavros, the world's foremost expert in Breast Ultrasound. Don't miss the opportunity to attend this world-class course, right in your own back yard! To register, please contact Dr. Michael Linver at 505-436-3071, or click on the link below.

Registration is now open for the 20th Annual Santa Fe Bone Symposium!

The Santa Fe Bone Symposium is an annual forum devoted to advances in the science and economics of osteoporosis, metabolic bone disease, and assessment of skeletal health. Presented by the Osteoporosis Foundation of New Mexico, this meeting is for healthcare providers, scientists, and researchers with a special interest in bone disease, and for bone densitometry technologists who seek a high level of knowledge in their field. Close interaction and collaboration between faculty and participants. The Santa Fe Bone Symposium is endorsed by the International Osteoporosis Foundation. Click on the link below to register.

GAMA PAC

Join your colleagues in donating to GAMA PAC to support candidates interested in the future of healthcare in New Mexico.

With the 2019 session behind us, it has become more apparent than ever that the medical community must come together and support candidates who understand our concerns and the issues. Every dollar counts so please send your check or make a payment online today!
